Sunday, August 1, is RED TRUCK DAY!

The Red Truck will be parked in the breezeway for you to fill up with non-perishable (canned and boxed goods) for Durham Urban Ministries. Durham Urban Ministries assists over 300 families each month with groceries and clothing. These families also need towels, toilet paper, laundry detergent, bath soap, diapers, and cleaning supplies.

Durham Urban Ministries Cafe serves over 500 meals a day every day. In addition to food they need items to help serve: plastic utensils, large volume sizes of coffee and drink mixes, napkins, trash bags, and wrapping films.
